# ACQUAVITAE SPA

## Massage and body treatments

### **REIKI TREATMENT** (40 min)

€ 50.00

*Reiki is an ancient art of meditation. It is carried out by an expert operator who channels the energy by placing his hands on the chakras and directs it towards the person he is treating, alleviating blockages and tensions due to physical and emotional stress. The psychic and mental sphere will also have benefits and will be immediately more relaxed.*

### **SCRUB WITH SUGAR AND COCOA** (50 min+10 min shower)

€ 50,00

*A 100% natural treatment, with a high relaxing power, for a brighter, softer and more elastic skin. Its pleasant scent stimulates the cells of the nervous system producing serotonin, responsible for our psychic well-being.*

### **CUDDLY RICE GENTLE BODY SCRUB + WRAPPING** (50 min+10 min shower)

€ 50,00

*A refreshing and regenerating scrub followed by a body wrapping. Also suitable for sensitive skins.*

### **AYURVEDIC HEAD-FACE-NECK-SHOULDER MASSAGE** (40 min)

€ 60.00

*This massage with coconut oil will stimulate the "Marma" points, the energy points of our body. Among the many properties it strengthens the nervous and immune systems, relieves stress, cures headaches, prevents and cures hair loss, relieves muscle tension in the neck and shoulders, promotes the harmonization of energies.*

### **FEET MASSAGE** (20 min)

€ 25,00

## Facial treatments

### **RELAXING FACIAL MASSAGE** (25 min)

€ 30,00

### **PURIFYING DERMO FACE TREATMENT** (60/75 min)

€ 55.00

*Cleaning of deep and superficial layers of the skin to treat acne or impurities.*

### **PERSONALIZED FACE TREATMENT** (60 min)

€ 55.00

*The operator will advise the customer on the type of specific products according to the skin type.*

## Steam beauty treatments

*(Not recommended for those with cardiovascular problems)*

*Some of the benefits of the steam bed treatments: it acts positively on the immune system and circulation, reducing joint and rheumatic pains, it helps drain, it helps to increase blood supply, reduce adiposity and tones.*

DELICATE BODY SCRUB AND FACE MASSAGE (75 min) € 70.00

*Carried out with the use of steam and 100% natural products, it regenerates the skin, gives deep hydration, stimulates microcirculation, eliminates toxins, relaxing 20 min. facial massage included, final shower.*

MOISTURIZING STEAM BODY TREATMENT (50 min) € 55.00

*The steam will maximize the effects of the active ingredients contained in the moisturizing products (including hyaluronic acid) allowing them to penetrate the deeper layers of the epidermis with a surprising result of tone and brightness.*

During the bath you will be served a glass of wine to taste while you are relaxing in the candlelight.

---

*The booking of spa treatments is binding and, unless canceled within 24 hours of the start time, they will still be charged. In case of delay on your part with respect to the scheduled appointment, the duration of the treatment will be modified according to the remaining time. Punctuality is therefore recommended and we suggest to arrive at the SPA at least 15 minutes before the scheduled time.*

## WARNINGS:

*All treatments are not recommended in case of pregnancy, except for massages with neutral oil.*

*In the case of particular health conditions (for example low blood pressure, pregnancy, recent surgical operations ...) the guest is obliged to discuss with his doctor if he can be admitted to the spa, or if can undergo the treatment booked, with particular attention to those that involve immersion in hot water (Vinotherapy, relaxing herbal bath...). The structure declines all responsibility if these warnings are not followed.*
